

**Community Emergency Response Team (CERT) Fall Training
Sponsored by the Uintah County Emergency Management Office
(available to the entire Uintah Basin Region)**

Module 1 is an overview of the Basic CERT Course. It will be taught at least once monthly. Trainees need to start their training with the first module, and then continue with the rest of the modules until all eight modules are completed. Modules 2 – 8 can be taken in any order. Completion of the Fall Course will be participation in the Mock Disaster.

Best Regards,

Veronica Stearmer

Volunteer CERT Coordinator and Training Manager
